## CURRICULUM VITAE

**Paolo Consigliere**, Consultant Orthopaedic Trauma Surgeon

### RESEARCH

More than 30 articles published in peer reviewed journal (pubMed link:

<https://pubmed.ncbi.nlm.nih.gov/?term=consigliere+p+>)

- **Associate Lecturer, Kent and Medway Medical School** (2022- present)

I am currently supervising 2 year-3 medical students during their scientific basis of medicine (SBOM) module and support them through their year-4 for their Individual Research Project (IRP).

- **PI** for the Racer2 RCT, NIHR funded
- **Research Lead** at the William Harvey Hospital, East Kent Hospital University (2022 - present)

I supervise all research projects, organize meetings, facilitate communication and engagement of the R&I department and ensure good medical practice principles are followed

- **Director for Clinical Research** at the Reading Shoulder Unit, UK (2019 - present)

I supervise all research projects, organize meetings, facilitate communication and engagement of the R&I department and ensure good medical practice principles are followed

- Former **Honorary Researcher** Ashford and St. Peter's Hospital NHS FT, Chertsey UK (2016 - 2019)

During this experience, I obtained the Ethical Approvals North West - Greater Manchester South Research Ethics Committee - Project ID: 211499 for a randomized clinical trial on comparing augmented rotator cuff repairs versus standard double-row repair in large-massive cuff tears.

- Former **Honorary Research** Fellow Brunel University (2013-2014)

I worked on a biomechanical project about shoulder replacement which won the Pump Priming Research Grant at BESS 2014.
